Certificate in UI Design
CareerFoundry
Jun. 2024 – Mar. 2025

Projects

Pot | Financial Saving App

Feb. 2025 | UI Design

Developed branding for a financial saving app, including logo and style guide. Created wireframes and mockups, ensuring consistency and a mobile-first, responsive design, with user testing for enhanced usability.

Carftin | Professional Networking App

Dec. 2024 - Jan. 2025 | Mobile App Design iOS & Android

Designed high-fidelity mockups for a professional networking hub where artisans and companies can connect to find talent and job opportunities. The mockups were crafted to meet Android & iOS mobile guidelines.

Professional experience

Fashion & Knitwear Designer | FREELANCE

Feb. 2019 - Present

- Hired by brands to develop knitwear collections, refine creative direction, and enhance brand storytelling.
- Designed full collections, developed concepts, created mood boards, patterns, and hand-knitwear samples.
- Elevated brand identities through cohesive design strategies and contributed to successful product launches with impactful collections.

Childhood Arts Educator | KITA PIPILOTA

Sep. 2019 - Apr. 2023

- Brought in for arts and multicultural expertise at a bilingual center.
- Designed creative activities to support child development.
- Contributed to a more engaging, inclusive learning environment.

Knitwear & Accessories Designer | LALA BERLIN

Sep. 2015 - Sep. 2018 | Berlin

- Initially led knitwear and circular knitting design, later adding accessories to women's collections.
- Created concepts, mood boards, designs, and coordinated fittings.
- Designed and launched 10 collections, contributing to the brand's creative direction and product offering.
